“ I was related to my Uncle Al thru a marriage. He was always my favorite uncle and to this very day I think of him often and I miss him. I use to go to his TV repair shop with my mom in Kansas City and take my naps in the back of the shop when I was a little girl. Uncle Al was the kindest most gentle and loving man and he was that way with everyone he met. I just wish I had been able to stay in touch with him thru the years. Now I'll never be able to tell him how much I loved him and that he stayed in my heart all of these years. To his family, my heart goes out to you, what a devastating loss for you all. RIP Uncle Al and I will see you in Heaven❤️🙏

“ Wanda and I always enjoyed visiting with Al and Sue when they came to visit Jerome and Kim. Al and I talked about playing golf, our work, and his time in the army. We also talked about who was going to get the largest piece of Kim's butterscotch pie!!! There is no question that Al was one of the Greatest Generation!! Rest with GOD and Sue dear friend. Respectfully, Tom and Wanda Ogan. Gallatin, TN.
