“ Dear Family,

I'm so sorry to hear of Belinda's passing. She was an amazing 2nd mom to my sister and me. I think of her often now that I have 3 girls of my own. She taught us so much...backwards diving in the pool (she could do one too!!), spot light, card games...Rook, Spades, Hearts and my fav as a kid Spoons...she took us to Disneyland, Knots Berry Farm, Magic Mountain and had just as much fun as we did...water slides...we would stay up late playing monopoly, watching movies, winning all kinds of goodies off the radio station...we would all talk and laugh all night...she was so funny, kind, smart...we would miss her so much when we would come back home. My mother was so thankful of her...she took such good care of us when we were away from her. She was such a huge part of my childhood and I hope I can pass along what she taught me to my girls. We were so blessed to meet all the Kennedy family. You guys welcomed us in and what a wonderful family you all are. I'll be praying for you.

*Love,
Kelly Keys Norris*

“I am so saddened to hear of Belinda's passing. She was a wonderful mother to me and Kelly. Our childhood was beyond blessed because of Belinda. She was so full of life and happiness. I regret we did not keep in touch over these years and I wish I would have made sure she knew what an impact she made on our lives. I have many, many fond memories of you all and am thankful to have spent the time we did as a part of your HAPPY, FULL OF LAUGHTER AND LOVING FAMILY!! My thoughts and prayers are with each of you. Love to you all, Lori Keys Whitley
