“Aunt Olene was more than a Great Aunt to my sisters and me. She and her sister Chessie helped take care of us during our mother's illness and were mothers to us after our mom passed away. She and her husband Speedy always called us their girls. I think they made everyone feel special in some way, treating everyone as family, whether blood related or not.

She had the biggest heart of anyone I've ever known. Always giving to others and never wanting anything in return. Aunt Olene was always making sure none of us went hungry. Even when she really wasn't up to cooking and you went to visit, she would always want to cook for you or she had something in the freezer that she could take out for us.

She loved doing her own yard work. Sometimes we would joke with her about pulling her lawn mower keys because no matter how she felt she always thought she still felt good enough to mow the yard.

We could all take lessons from this wonderful woman and how she lived her life. Aunt Olene was a blessing to so many people and we love her and will truly miss her.

*With loving memories,
Donna, Kay, and Gina*

Olene was a great neighbor to me. She made me feel welcome as soon as I moved into the neighborhood. I feel my life has been blessed by having the privilege to know her.
