“ *I will always cherish the love and care Bill gave my Mother, Doris Kennedy Guffey. He was by her side through out her illness and never waivered in his love and devotion.*

There are also so many good memories of satellite dish installations, road trips and family. Bill never met a stranger and was always ready with a song. He brought laughter and joy to many.

“ *One of my favorite times with Bill was when he visited me in Arizona and drove a group of us up to the Grand Canyon in an RV. His joy at seeing such a historical landmark, his ability to tell stories, flirt without apology and always find something interesting made the trip one to remember.*

I will always be grateful for the love he brought into my mother's life and his care of her during those final dark days.

We tip our moonshine to you today, Bill.

Bill has always been able to bring a smile to the room, no matter how sad you might be. I remember when I met him when I was about 10 (45 yes ago) years old and I wanted to be with my friends but my dad made me come with him. Bill was picking at me until I smiled. Turned into a very memorable experience.
