“ I have known Delores since 1964. She was always the same,cheerful, loving, caring person, over the years. I truly loved Delores. She was a good person. When I broke my wrist in 2004, she came and took me to lunch, and cut my food for me. She was that kind of person. I wanted to be there for her services, but just learned today, and could not get there. Carolyn Leetch
