WF

“ Donald and Ronald grew up with wade and I, we have spent many a night at their house and them at ours. we have hunted and fished all over and that was our hobby, i think a lot of them and it is so hard to say goodbye to him as it was my brother in law larry nippers a month ago. i have a lot of memories of Donald and will keep them till I die, i trust god will bless this family and help see them through this time in life. donald has always been in my life even though we went on to have our own families. i loved him and always will and will never forget the times we had growing up, GOD BLESS
