“ *I remember the time our senior class went to New York. Mr. Kennamer was behind myself and Dewade and a couple of other class mates and he made us laugh so much. One day in Triple R he came over to mom and I and talked for the longest. We talked and laughed about all kinds of things. I really enjoyed those two days especially. He was always pleasant and happy when I would run into him somewhere. I loved Mr. Kennamer and am sorry for your loss. He will be missed. Prayers for the family and may God bless you all.*
