“ Sorry to hear about Jackie's passing. He was a good man in all respects and served the community of Grant so well as a citizen, councilman, and mayor. He was always a great supporter of DAR School during my tenure there as teacher, coach, and high school principal. Tony and Tiffany, I wish I could come for his memorial service, but other commitments will prevent me from doing so. I respected your dad very much and pray for your peace and comfort during this time.
