“ I met you as a student and a little at a time we became friends. I had the honor of spending time with your momma and time with your daughters. I had the opportunity to watch you with your grandchildren and tried to always be there as you went through the loss of your mom and Melissa. You and I lost touch after I moved out of state but believe me you were and will always be a happy memory. We understood each other and had a mutual respect and love for each other. You will always be a friend and a I will always remember you with a smile. Rest well my friend
