

Mr. Joe Campbell

April 2, 1943 - January 27, 2019

Mr. Joe Campbell gained his wings Sunday January 27, 2019. The son of Carter and Odessa Campbell, he was born April 2, 1943. He was an amazing dad to his son, Doug Campbell (Melinda) and his daughter, Brandy Campbell. He was a great Papa Joe to his grandkids Emily Campbell and Sarah Campbell. He was just like a dad to their mom, Teri and a step grandpa to Melinda's daughter, Chelsea. He was an awesome brother to his sister, Mary Ellen Morrow and his mom's favorite as he would tell her.

From he and his dad starting the North Marshall water system in the community, to BurCamp, to a Western Auto store, to working at Teledyne, a city council man, and starting Waterfront Tackle and Grocery, he was a true business leader for many years in the Grant area. He loved fishing, hunting, Alabama football, and most of all time with his family and friends. He was both a Shriner and a Mason. He always felt closest to God when he was out with nature either on the lake or in the woods. The pride he had in watching his grandkids whether in sports, cheering, or academics achievements filled his heart. He had a huge heart that loved helping people and was the hardest working man ever seen say many of his friends. He believed in leading by example and taught the importance of hard work and dedication. After a spinal cord injury in 2003, he overcame many obstacles the doctors said he couldn't. He loved going to the gym, continuing to doing what they said impossible, and his gym friends. As someone who cared about other, he held the distinction of

being an Eagle Scout and even in death he care by being an organ donor.

Funeral arrangements to celebrate his life will be Thursday, January 31, 2019 at 2 p.m. at Grant Memorial Chapel. Visitation with his family will be Wednesday night from 5-9 pm at Grant Memorial Chapel and the friends may visit with the family an hour before the service on Thursday at Grant Memorial Chapel. Burial will follow the funeral service at Free Home Cemetery.

“ *Joe will be missed by all. He was a true inspiration. In spite of his injuries he continued to stay strong everyday. His 15 year fight to overcome limitations and still remain a truly kind and generous person is a testament to his character. He makes each of us want to be a better person.*

“ I was very sorry to hear of the loss of Mr. Joe.
When I first started covering the Grant Town Council in 1989, he
was a member of the Council. It was later I learned that he'd started
the water system and still later that he got into the Waterfront Tackle
business. He always showed kindness to a young reporter and I
have very fond memories of Joe.
God bless the family in this time of loss.

Deeply saddened to learn of Joe's passing. Joe was a true inspiration
and source of motivation for many of us in the gym. He wouldn't let
anyone quit and really knew how to talk someone up to stop you from
giving less than 100%. Fly high Mr. Joe. Everyone at Anytime Fitness
misses you dearly.
