Tribute Wall

“ I am so very sorry for your loss. It is comforting to know that our Creator understands our grief. More than that, he longs to use his almighty power to restore life to the dead. Notice the hope conveyed in the words of Job, recorded at Job 14:15: "You will call, and I will answer you. You will long for the work of your hands." We are the work of God's hands and the Creator who was responsible for our life can certainly restore us to life after death. May these thoughts along with your warm memories give you comfort during this difficult time.
