“ *I'm so sorry for your loss My grandson Bentley Hyatt is her great grandson who loved and always will love his great grandma, I can remember Joan always having the door open for anyone anytime and she always offered you something to eat and anything you needed if she had it. But she would pop that tail to if you needed it. Oh and she always talked about my pink crocks she loved and wanted So I gave them to her. Joan you are truly going to be missed dearly. Praying for all the family 🙏 We love you all*
