“ *My name is Lisa Hayes and I am the ICU nurse that had the honor of taking care of Mr. Ledbetter the last two weeks of his life. He was the sweetest man, sometimes could be a little ornery, but he was a gentle soul. I spent long hours with him during his critical time praying that he would have the strength to pull through these challenging times that stood before him. But ultimately, God needed him home. And although I am saddened by our loss, I know that he is in heaven and is at peace. I pray for your family and dear friends that stuck by his side through it all because he needed your support in those trying times. May God bless you all. Lisa Hayes*
