“ I remember coming over every weekend and staying with the family for hours! I use to go to church with them every Sunday and she actually got me to get up there and sing! She was so happy and over joyed! She loved the Lord very much! She loved her family and her "adopted" children just as much! I will love and cherish all the memories I have with you! I love and miss you!

“ Pam always had a smile and hug for me. It didn't matter how bad she felt, she always made me feel loved, and never once did I ever hear her say an unkind word about anyone. She loved her husband and children so much and was very proud of them. I am honored to call her my cousin. She was a very precious soul and anyone who met her was blessed to have that opportunity.
