“ *My heart is heavy to hear of Rodney's passing. I was honored to coach Rodney at DAR High School. Rodney was a competitor. He gave his best effort in practice and in games, basketball and baseball. He was a designated sixth man for a time and played that role so very well. He would come off the bench and add a spark on energy to the team. Rodney was a fighter on the backboards. If the ball came off in his direction, it was his. If it came off in another direction, he would make it his. I am so proud of the man that Rodney became.*

My deepest sympathies to Susan and all the family members. Both Rodney and Susan came strong families in which character mattered. May God's blessing and comfort be yours in abundance.
