

Ms. Tammie Teresa Ledbetter

September 1, 1959 - November 16, 2023

Tammie Teresa Ledbetter, 64, of Grant, entered into the house of the Lord on November 16, 2023.

Tammie leaves behind her sister, Patty Henson and her husband Ronnie of Grant; nephew Joshua Henson, his wife Erin and their daughter Emmaline of Aragon, Georgia; niece Astoshia Henson and her fiancé Bret Cooper of Hixson, Tennessee; and uncle James Ledbetter and his wife Lisa of Morgan City, Louisiana.

Tammie is preceded in death by her parents Charles Ledbetter and Nell (Harold) Keller, her grandparents John Ledbetter and Ruby (Thomas) Burrell, and Monroe and Kate Kelley.

Tammie is a loving sister, aunt, loyal friend, bibliophile and animal lover. She was born on September 1, 1959. Growing up, while her father and sister were outside working or fishing, Tammie preferred to be in the kitchen with her mother preserving the garden harvest, cooking and baking or getting lost in a good book. She graduated DAR High School with the Class of 1977. Following graduation, Tammie dedicated her life to serving and caring for others and rescuing animals. She had a heart of gold and never met a stranger. Her smile was contagious and her love and kindness affected everyone that knew her; to know her was to know comfort and love.

No services will be held. In lieu of flowers, the family asks that donations be made to God's Feral Felines of Arab or Second Chance Shelter in Boaz.

Arrangements Entrusted to Grant Memorial Chapel.

“ Whenever Sharon (my sister) and I would get to Grant we'd ask maw-ma (Bernice Ledbetter) when we could see Tammy and Patty ! We loved our Grant cousins, going to Nell and Charles and having one adventure after another... Sharon and Tammy taking turns being in charge.

As time went on there was the Tammy that would show up whenever someone needed help and jump in to get things done because that's what neighbors and kin do.

I never thought it would be the last time I'd see you when Sarah brought my husband Ted up to see our Family in Grant .. as usual we laughed a lot and hugged as well. I'm so happy for that last time! Will always love you Tammy!
