“ I met Tom in my neighborhood (Haley Creek). I often got to chat with him when I raked my yard or watered my garden...he enjoyed riding his scooter chair through the neighborhood on sunny afternoon. He was a kind and friendly man who spoke fondly of his wife, children and grandchildren. He liked to talk about memories from when he was in the service and though, he wasn't in good health, he never complained. My condolences to his wife and family. I wish I had known sooner... I wondered why I hadn't seen him lately. I am so sorry for your great loss. He is certainly missed

“ I loved it when Tom and Patty visited my family. We had cook outs and lots of story telling. Dad and Tom would argue just for the fun of it. But they would have had it no other way. My prayers are with the family. You are truly loved and remembered.
