“ I am so sorry to hear of Dean's passing. He was a student of mine and a valuable player on our basketball team. I regret I cannot attend his memorial service, but want his family to know that my prayers and the prayers of my family are with them. Dean spent time in our home when my children were very young and he was a teenager. They remember Dean playing with them even though they were just kids. Our deepest sympathy.

Dean was so sweet & kind when we were kids. He was my first boyfriend & he was so cute. Everybody loved Dean. He was a hero & didn't even know it. You will be missed Dean but it's time to rest my friend. With Love, Jan Milligan Cranfill.

From the first grade at Claysville to DAR to the road trips we took, Dean was always the brother I never had. A big softie by nature with a giant heart. I'm so glad we had all those years ago, maybe we'll do it again someday! Love Ya Buddy, Keith Owens
